TEN WAYS TO HELP

“At the end of the day it’s not about what you have or even what you’ve accomplished... it’s about who you’ve lifted up, who you’ve made better. It’s about what you’ve given back.”

Denzel Washington

In these pages you’ll find ways to give back. Your support is critical in helping us fulfill our mission of serving the community through food, shelter and supportive ways.

Thank You for Your Support!

1

VOLUNTEER

The work that Shalom Center does in the community is only possible due to the support of people in our community volunteering their time, talent and skills.

Go to: **www.shalomcenter.org/volunteer**

There you can learn more, apply to volunteer and download our **Volunteer Flyer** detailing all of the ways to help.

2

MONETARY DONATIONS

Our ability to serve is assisted by your monetary gifts. We value every dollar you donate and each gift helps to support our mission.

Please Consider a Monthly Donation

A monthly recurring donation helps us to stabilize our revenue. This is critical as we continue to grow, serve and positively impact the community. Monthly giving allows you to budget a set amount, which over the year makes a significant difference to the people we serve. To learn more, go to: **www.shalomcenter.org/donate**

3

IN-KIND DONATIONS

In-kind Donations are non-monetary gifts given to Shalom Center such as goods, services, use of equipment or facilities, and labor. Examples may include:

- Companies/Warehouses donating surplus food.
- Companies donating equipment, services or labor.
- Schools donating food collected in a food drive.
- Individuals donating food or shelter necessities.

A HISTORY OF SERVICE SINCE 1982

Shalom Center is a 501(c)3 in Kenosha County serving as the **only** homeless shelter, **largest** food pantry, and **longest running** nightly meal program.

Shalom Center is a community resource that provides housing, food, guidance, and support to individuals and families in need across our community.

Our mission is simple: serve the community through food, shelter and supportive ways. We believe that this mission will help realize a greater vision: self-sufficiency by maximizing the potential of the people we serve.
