2025 SUMMER APPEAL LIGHT THE WAY FORWARD

It is a frightening time to be in need.

Dear Donors, Benefactors and Friends,

Proposed federal budget cuts, particularly to Medicaid, SNAP, and other social safety net programs, are a major concern for Wisconsin residents, especially those relying on these programs for housing, food, and healthcare assistance. In fact, it is a frightening time to be in need. We do not know how it will all play out. What we do know is that with your help, we will continue to serve.

Light The Way Forward

As we move ahead, we are committed to lighting the way forward—staying true to the values and vision that have long guided us. We will continue our mission to serve the community by providing emergency food, shelter, and guidance in ways that meet immediate needs and respect human dignity.

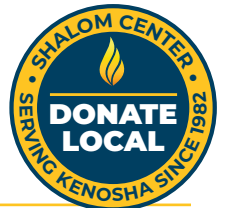

Your support at this time is critical and appreciated

In this time of uncertainty, Shalom Center is blessed to have a strong community of donors and volunteers. We are not able to serve without you. To sustain our programs year round, please consider a monthly donation. Whether it's a monetary donation and/or volunteering, we appreciate your support. Please use the form on the next page to mail your donation. You may also donate online at: www.shalomcenter.org/donate
